PALA CONSTRUCTION ROAD USE FEE

Block: _____. **Lot:** _____. **Street:** _____

This is a Flat fee (Non- refundable) **P 12,000 PHP** for lots less than 250 square meters and **P 15,000 PHP** for lot sizes of more than 250 square meters, too include one house on more than one lot. Must be paid before construction starts.

This fee is for maintaining the common roads thru-out the subdivision. But does not include curb or sidewalk damage from delivery trucks. This is for trucks bring in construction materials ONLY.

Delivery may enter the subdivision to deliver construction materials if they have an invoice with the lot and block and name of construction company on it. Also driver must surrender a picture ID card that will be returned to them upon departure.

A maximum of 4 construction stickers @ 500 PHP each are allowed per site, all such request must be requested by foreman. No other workers vehicles will be allowed to enter except owner (may purchase a resident entry sticker), contractors and architect. They must surrender a picture ID card that will be returned to them upon departure.
