Dear Mr Hammer:

Greetings!

We would like to inform you that we planning to start our planned rehabilitation project at Pulu Amsic Subdivision on August 13 , 2019. The line of works includes the following:

1. Cutting of concrete road
2. Breaking of concrete road
3. Excavation
4. Pipe laying of PVC pipe
5. Backfilling
6. Restoration of damage concrete pavement
7. Hydro-testing of new main water line
8. Disinfection and flushing of new main water line
9. Clearing of construction debris
10. Installation of new tapping connection

Rest assured that we will finish the rehabilitation project the soonest the possible time.

Thank you very much.

Truly yours,
